

ECLAS Conference Programme and Session Schedules 2024, Status: 15.07.2024

7th September 24 PhD Colloquium and Exhibition, Venue Faculty of Architecture / CIVA

Time	Room	Activity
09:00 – 16:30	8 rooms + Bourgeois	PhD colloquium with parallel session in the morning. Afternoon: cross-cutting workshops
17:00 – 18:30	CIVA	Presentation IFLA History research + Exhibition
19:30 – 21.30	Bourgeois	Welcome Drink + Conference Alexandre Chemetoff

8th September 24: Excursions (registration required)

9:00 – 18:00	Cafeteria	Meeting 9.00 Faculty - Option 1/2/3 Brussels
9:00 – 18:00	Train	Meeting 9.00 Faculty - Option 4 Charleroi
8:00 – 18:00	Train	Meeting 9.00 Faculty - Option 5 Antwerp
16:00 – 18:00	Brussels	ECLAS ExCo meeting after Brussels excursion

9th September 24

Conference plenary and sessions, venue: Faculty of Architecture

Time	Room	Activity
8:30 – 9:15	Cafeteria	Registration & coffee, press meeting
9:15 – 9:30	Bourgeois	Welcome speeches and introduction to the conference
09:30 – 10:15	Bourgeois	Keynote Nathaniel Barlow - Degrowth & Strategy
10:15 – 11:00	Bourgeois	Keynote Dr. Sandra Groll – Designing for Ecologies
11:00 – 11:30	Cafeteria	Coffee break
11:30 – 13:00	8 rooms	Regenerative Landscapes Sessions: 1 – 8 & Auditorium
13:00 – 14:00	Café/court	Lunch in workshops / central area
14:00 – 15:45	8 rooms / Bourgeois	Regenerative Landscapes Sessions: 1 – 8 JoLA Session - Auditorium
15:45 – 16:15	Café/court	Coffee break in sessions
16:15 – 18:45	8 rooms /	Regenerative Landscapes Sessions: 1 – 8

10th September 24

Conference plenary and sessions, venue: Faculty of Architecture

Time	Room	Activity
8:00 – 8:30	Cafeteria	Registration & coffee
8:30 – 8:50	Cafeteria	Introduction to the second Day
09:00 – 09:45	Bourgeois	Keynote Dr. Rachel Lilley: A Dialogue on Systems Thinking
09:45 – 10.30	Bourgeois	Keynote Gilles Doignon: Towards a Nature-Positive Society
10:30 – 11:00	Cafeteria	Coffee break
11:00 – 13:00	8 rooms	Regenerative Landscapes Sessions 1 – 8 Head of Schools Meeting - Auditorium
13:00 – 14:00		Lunch / Central Area
14:00 – 15:30	Bourgeois	Plenary Co-Creation Session – NEB Workshop & TELOS Multiplier Event ECLAS 2025 Announcement
15:30 – 16:00	Café/court	Coffee break
16:00 – 17:30	Bourgeois	General Assembly & TELOS Multiplier Event
17:30 – 18:00	Bourgeois	Award Ceremony
18:00 – 22:00	Café/court	Drinks & Get together

11th September 24: PhD Colloquium, Venue Faculty of Architecture

Time	Room	Activity
09:00 – 13:00	Session rooms	PhD Students Reflection Session

General Overview of the Parallel Sessions

Parallel Sessions	Room 1	Room 2	Room 3	Room 4	Room 5	Room 6	Room 7	Room 8	Plenary
Monday Session 1 11 30 - 13 00	Energy	Mobility	Value Chains	Heritage	Foodscapes	Beyond Cheap Nature	Democratic Landscape Transformation	Open Theme (Education)	Democratic Landscape Transformation
Monday Session 2 14 00 - 15 45	Energy	Mobility	Value Chains	Heritage	Foodscapes	Beyond Cheap Nature	Democratic Landscape Transformation	Open Theme (Education)	JoLA
Monday Session 3 16 15 - 18 45	Energy	Mobility	Value Chains	Heritage NELA Workshop	Foodscapes	Beyond Cheap Nature	Democratic Landscape Transformation	Open Theme (Open Space Planning)	
Tuesday Session 4 11 00 - 13 00	Heritage	Open Theme (Mixed)	Value Chains	Heritage	Foodscapes	Beyond Cheap Nature	Democratic Landscape Transformation	Open Theme (Mixed)	Heads of Schools Meeting

Workshop Beyond Cheap Nature (Soundwalk)	Workshop Beyond Cheap Nature (During Exkursion)	Workshop Beyond Cheap Nature (Final plenary)

Track 1: Energy Landscapes

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00			
09 00		Welcome, briefing and warming-up	
10 00	80	MSc Florian Becker (Presenting), WUR Wageningen, The Netherlands	Impulse for landscape quality? – Spatial characteristics of 46 Solar Power Plants in Gelderland, the Netherlands
11 00	84	Riccardo Ronzani (Presenting), Politecnico di Torino, Turin, Italy	Agri-voltaic Regeneration Tool. Transitional strategies of co-production for future sustainable landscapes
12 00	216	Monika Fabian (Presenting), American University of Beirut, Beirut, Lebanon	Understanding the public acceptance of blue-green biosolar roofs in the Mediterranean: Beirut case study
14 00 - 16 00		Cross-Cutting Workshops	

Conference Days Monday-Tuesday, September 9-10

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Author	Title
11 30	160	Dr. Cecilia Furlan (Presenting), Universität für Bodenkultur Wien, Wien, Austria / Delft University of Technology, Delft, Netherlands	The power of miningscape. Reconfiguring the energy landscape through the design of three European open-cast coal mining territories
11 50	112	Roberta Pistoni (Presenting), Ecole Nationale Supérieure de Paysage de Versailles, Versailles, France	Landscape as a medium for a shared energy transition: findings from a serious game
12 10	161	Dr. Anders Larsson (Presenting), SLU Alnarp, dept. of Landscape Architecture, Planning & Management, Alnarp, Sweden	From regenerative food-energy-water islands to circular cities and regions
12 30		Time for discussion + track chair contribution	

Session 2 Monday, 09.09. 14 00 - 15 45	ID	Author	Title
14 00	150	PhD Anna Codemo (presenting), Department of Civil, Environmental and Mechanical Engineering (DICAM), University of Trento, Trento, Italy	Unlocking the regenerative potential of solar landscapes through multidimensional design and planning
14 20	213	Sara Anna Sapone (Presenting), Politecnico di Milano, Milano, Italy	Reconcile Technical Landscapes for Photovoltaic Fields
14 40	83	Prof. Elena Vigliocco (Presenting), Politecnico di Torino, Turin, Italy	Mending Practices. Architectonic abacus for designing photovoltaic plants
15 00	149	Kitti Biró-Varga (Presenting), Wageningen University & Research, Wageningen, Netherlands	Landscape user experiences of interspace and overhead agrivoltaics: A comparative analysis of two novel types of solar landscapes in the Netherlands
15 20		Time for discussion + track chair contribution	

Session 3 Monday, 09.09. 16 15 - 18 45	ID	Author	Title
16 15 <i>speaker online</i>	36	Lúisa Martins (Presenting) Faculty of Architecture and the Built Environment at TU Delft, Delft, Netherlands	Regenerative practices for post-development: fostering environmental stewardship in operational landscapes of the Global South
16 45	181	PhD Dirk Oudes (Presenting), Wageningen University and Research, Wageningen, Netherlands	From promise to practice: advancing the concept of multifunctional energy landscapes
17 15	208	PhD Giulia Cazzaniga (Presenting), Politecnico di Milano - DASTU Department, Milan, Italy	Ground-Mounted PV Plants Decommissioning: A Shifting perspective on development models
17 45	49	Dr. Paolo Picchi (Presenting), DIDA University of Florence, Italy	Landscape Integration of Agrivoltaic Systems. A methodological approach in Research Through Design and Education
18 15	157	Mafalda Xavier, Gertjan Jobse (Presenting), Departamento de Geociências, Ambiente e Ordenamento do Território, Universidade do Porto, Portugal & Finnish Association of Landscape Architects (MARK), Helsinki, Finland, IFLA Europe, Brussels, Belgium	Exploring sustainable Energy Landscapes in Europe: insights and key challenges from practice
18 45		Conclusions	

Track 2: Mobility Landscapes

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00			
09 00		Welcome, briefing and warming-up	
10 00	268	Yacine Mansouri (Presenting), University of Liège, Liège, Belgium	Towards Regenerative Urban Landscapes: Integrating Soft Mobility as a Vector for Health and Ecology
10 30	121	Quyng Wang (Presenting), Politecnico di Milano, Milan, Italy	Regenerative Design Guidelines for District-Scale Green Systems: Lessons from Comparative Analysis of Milan Railway Yards Regeneration Projects
11 00	244	Francesco Tosetto (Presenting), Sapienza Università di Roma, Rome, Italy	Vertical Time. Knowledge, Narration, Heritage
11 30	89	Daniela Lehner (presenting), BOKU Vienna, Austria	Roadscape Design: exploring the relationship between processes and formal aspects of transport infrastructure in cultural landscape
12 00	31	Merve Dilman Gokkaya , Bursa Technical University, Bursa, Turkey ONLINE	Deal with industry and natural corridors? A blue-green infrastructure case: Ayvali Creek, Bursa
12 30	211	Julia Micklewright (Presenting), Technical University Munich, Germany	The relevance of private frontages for multifunctional streets
14 00 - 16 00		Cross-Cutting Workshops	

Conference Days Monday-Tuesday, September 9-10

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Author	Title
11 30	44	Professor Florian Otto (Presenting), University of Kassel, Germany	Scaling up urban climate adaptation measures by taking to the streets
11 50	120	Melissa Cate Christ (Presenting), University of New South Wales, Sydney, Australia ONLINE	walking design / designing walks: revealing water stories as paths to regenerative urban landscapes
12 10	162	Iwan Thomson (Presenting), Lala Tøyen, Oslo, Norway	Streets for People
12 30	87	Professor Ina Macaione (Presenting), University of Basilicata, Matera, Italy	Climate streetscapes for green regeneration. Understanding the spatial potential of Nature-based Solutions for urban resilience
12 50		Time for discussion + track chair contribution	

Session 2 Monday, 09.09. 14 00 - 15 45	ID	Title and Author	Comments
14 00	211	Julia Micklewright (Presenting), Technical University Munich, Germany	The relevance of private frontages for multifunctional streets
14 20	58	Dr. Efrat Hildesheim (Presenting), Tel Aviv University, Israel	Becoming a Scenic Route: Perspectives of the (New) Mobility Paradigm on Highway Building and Landscape Architecture
14 40	35	Ass.Prof. Didier Vancutsem & Dr. Claire Pelgrims (Presenting), Université Libre de Bruxelles, Brussels, Belgium	The "RadlRing" and the "Ring of the Region Munich": a suburban cycling infrastructure for leisure development and landscape economy.
15 00	147	Angelo Paulo Mogul (Presenting), Bulacan State University, Malolos, Philippines ONLINE	Integrating Transit-Oriented Developments in Regenerating Urban Landscapes through the Improvement of Mobility experience
15 20	202	Ines Prehn (Presenting), Osnabrück University of Applied Sciences, Germany	Disruption for regeneration – Transforming mobility practices through real-world experiments

Session 3 Monday, 09.09. 16 15 - 18 45	Mobility Landscapes: Reflection on Research Agenda, Publication Strategies & Curriculum Design		
16 15	125	Dhr. Peter van der Poort (Presenting), Sweco Belgium, Brussel, Belgium	Kolenspoor Limburg, Backbone of a Multiproductive network.

Track 3: Foodscapes

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00			
09 00		Welcome, briefing and warming-up	
10 00	163	Hafize Nur Silay Emir (Presenting), Kilis 7, Aralik University, Kilis, & Akdeniz University, Antalya, Turkey	Cultural Heritage in Foodscapes: The Role of Landscape in Preserving and Revitalising Traditional Flavours
10 30	209	Georgina (Jani) Truter (Presenting), KU Leuven, Leuven, Belgium	Mapping regenerative urbanism: Projecting food landscape strategies for the Breede Valley, South Africa
11 00	187	Angelica Pianegonda (Presenting), University of Trento, Trento, Italy	Urban Harvest: Cultivating Regenerative Landscapes through Alternative Food Landscapes in Urban Environments
11 30	216	Ioana Elisabeta Enache (Presenting), Ion Mincu University for Architecture and Urbanism, Bucharest, Romania	Connecting city inhabitants to food systems: Planning community gardens in periurban areas of large cities, a case study in Bucharest.
12 00	199	Heloisa Antunes (Presenting), Departamento de Geociências, Universidade do Porto, Portugal	Building urban resilience: assessment of potential food productive sites in Matosinhos, Portugal
12 30	BIP	Shashank Yadav , HFWU Nürtingen-Geislingen, Germany (Master Student)	to be specified / Nürtingen Foodscapes
14 00 - 16 00		Cross-Cutting Workshops	

Conference Days Monday-Tuesday, September 9-10

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Author	Title
11 30	12	Dr. Roxana Maria Triboi (Presenting) LE:NOTRE Institute, Wageningen, The Netherlands	Seeding Change: The EU Urban Agenda's Thematic Food Partnership as a Catalyst for Bridging High-Level Policies and Grassroots Food System Innovations
11 50	88	Andrew Gallagher (Presenting), Swedish University of Agricultural Sciences, SLU Urban Futures, Uppsala, Sweden	Shaping food system transformation: the municipal perspective on integrated food planning in Sweden
12 10	33	Dr. Daniel Münderlein (Presenting), RWTH Aachen University, Aachen & University of Kassel, Germany	Almere Oosterworld - A self-organized peri-urban Foodscape
12 30	274	Sebastian Burgos Guerrero (Presenting), University of Milan-Bicocca, Milan, Italy	Urbanising food landscapes: Planning food systems transformation for sustainability in the Central Algarve, Portugal
12 50		Time for discussion + track chair contribution	

Session 2 Monday, 09.09. 14 00 - 15 45	ID	Author	Title
14 00	178	Giulia Zantedeschi (Presenting), DICAM, University of Trento, Italy (ONLINE)	Regenerative foodscapes as a way to restore, regenerate, reinhabit the existent in the Alpine territories
14 20	199	Heloisa Antunes (Presenting), Departamento de Geociências, Universidade do Porto, Portugal	Building urban resilience: assessment of potential food productive sites in Matosinhos, Portugal
14 40	255	Dr. Naomi Shimpo (Presenting), University of Hyogo, Awaji & Tohoku University, Sendai, Japan	The possibility of building a small local food system through urban gardening using vacant land in shrinking cities: A case study from Kobe, Japan
15 00	132	Dr. Simin Bian (Presenting), Beijing Forestry University, P.R. China	Logistics Transit Boxes as Micro-Mediators of Recycled Landscapes: A Low-Carbon Popularization Initiative Linking Food Markets, Public Spaces, and Community Life
15 20		Time for discussion + track chair contribution	

Session 3 Monday, 09.09. 16 15 - 18 45	ID	Author	Title
16 00	75	Maria Olga Tomprou (Presenting), Norwegian University of Life Sciences, Ås, Norway	A multispecies storytelling of productive landscapes: an exploration of regeneration in a permaculture garden walk in Oslo, Norway.
16 20	145	Jeroen de Vries (LE:NOTRE Institute), Wageningen, The Netherlands	Integrating education into living labs – the food planning experience
16 40	144	Noel van Dooren , Aeres University of Applied Science, Almere, Netherlands	Regenerative landscapes from a food perspective: How the biophysical and the sociocultural view meet
17 00	224	Prof. Tal Alon Mozes (Presenting), Technion, Israel Institute of Technology, Haifa, Israel	Nature Based Cappuccino
17 20	196	Prof. Swati Sahasrabudhe (Presenting), BNCA & LIFE (Landscape Initiatives for Future Environment), Pune, India (ONLINE)	Soil to Soul: Approaches that matter in Urban Foodscapes
17 20		Time for discussion + track chair contribution	

Session 4 Tuesday, 10.09. 11 00 - 13 00	Regenerative Foodscapes: Reflection, Synthesis and Outlook		
11 00 - 13 00	Joint reflection on research gaps, curriculum design needs and future book projects		

Track 4: Landscapes of the Global Value-Added Chain

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00			
09 00		Welcome, briefing and warming-up	
10 00	76	Chiara Caravello (Presenting), University of Liège, Belgium & Politecnico di Milano, Milano, Italy	Deepscales. The regenerative power of underground extractive landscapes. Conscious design approaches from the Earth's womb.
10 45	111	Elif Nur Sarı (Presenting), Istanbul University, Turkey (WILL BE RESCHEDULED)	Understanding the Urban-Rural Interface: A Study on the Ecological and Sociological Significance of Urban Peripheries
14 00 - 16 00		Cross-Cutting Workshops	

Conference Days Monday-Tuesday, September 9-10

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Author	Title
11 30	Opening	Dr. ir. Samaneh Nickayin , WUR, Wageningen, The Netherlands	Session introduction
11 40	127	Susanne Trumpf (Presenting), The University of Hong Kong, Hong Kong	Disseminating Bricks: Addressing the Overlooked Landscapes of Rapid Construction
12 05	129	Prof. Sabine Müller (Presenting), AHO, Oslo, Norway	All you can store! Envisioning landscape frameworks for logistic parks with a focus on ecological and hydrological regeneration
12 30	170	Bruno Futema & Mauricio Addor , Mackenzie Presbyterian University, São Paulo, Brazil	Urban Metabolism. A circular approach to foster regeneration in São Paulo's central region
12 55		Conclusion Part I - Session moderation: Prof. Dr. Dirk Funck	

Session 2 Monday, 09.09. 14 00 - 15 45	ID	Author	Title
14 00	30	Eugenia Morpurgo (Presenting), Università Iuav di Venezia, Italy	Regenerating landscapes through designing production chains for bio based materials.
14 25	39	Liam O'Malley (Presenting), Agricultural University of Iceland, Hvanneyri, Iceland	The potential for using Carbon Sequestration funding and the NBS paradigm to maximize stakeholder benefits in restoration of Icelandic ecosystems and landscapes
14 50	138	Prof. Ingrid Sarlöv Herlin (Presenting), SLU, Alnarp, Sweden	Semi-natural wooded pastures in southern Sweden as more than foodscapes. How can they be understood, valued and sustained, using the narrative of generative landscapes?
15 15	159	Victoria Imasaki Affonso (Presenting), TU Delft, Delft, Netherlands	The River and the Mosaic: regenerative cycles in production landscapes
15 40		Conclusion Part II: Moderator: Prof. Kelly Shannon , KU Leuven, Belgium	

Session 3 Monday, 09.09. 16 15 - 18 45	ID	Author	Title
16 15 ONLINE	223	Prof. Sara Favargiotti (Presenting), University of Trento, Italy (ONLINE)	Landscape as Medium
16 40	136	Dr Alice Lewis (Presenting), RMIT University, Carlton, Australia	Future Matters: drawing out hidden landscapes of extraction and regenerative material futures
17 05	204	Emma Rishøj Holm (Presenting), Aarhus School of Architecture, Denmark	Beyond Numbers: Rethinking Environmental Evaluation through 'Hidden' Landscapes of Extraction
17 30	215	Viviana Comito (Presenting), ENSAPLV, Paris & UMR RESSOURCES, Clermont-Ferrand, France	The Endless Landscape: Building the Connection
17 55		Conclusion Part III: Moderator: Associate Prof. Karolina Krośnicka , GUT Gdansk, Poland	
18 45		Cross-cutting questions and introduction to the workshop Moderators: Dirk Funk, Karolina Krośnicka, Samaneh Nickayin, Kelly Shannon	

Session 4 Tuesday, 10.09. 11 00 - 13 00	Workshop		
11 00		Opening	Introduction to the workshop and synthesis of the previous day
11 15		Guided Workshop	Reflection on research gaps, curriculum design needs and future book projects
12 45		Final Wrap-up	Moderators: Dirk Funk, Karolina Krośnicka, Samaneh Nickayin, Kelly Shannon

Track 5: Beyond Cheap Nature

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00

Welcome, briefing and warming-up			
09 00			
10 00	63	Sally Torres Malima (Presenting), Universidad Ricardo Palma, Lima, Peru	Towards a Regenerative Edge Landscape Design: Softening the Edges through Ecological Architecture and Urban Ecology Design
10 25	153	Tara Op de Beeck (Presenting), University Antwerp, Antwerp, Belgium	Regenerative urban landscapes, require regenerative financing systems
10 50	270	Jennifer Fauser (Presenting), University of Natural Resources and Life Sciences Vienna, Austria	Reappointing Landscape - Landscape as transformative and regenerative agency in peri-urbanised territories of Austria
11 15	180	Eugenio Ferretti (Presenting), Università degli Studi di Firenze UNIFI, Italy	Enhancing Ecosystem Benefits through Regenerative Landscape Management in Urban Forests
11 40	182	Amina Chouairi (Presenting), Università Iuav di Venezia, Venezia, Italy	Natura Humana. The need for affirmative socio-ecological restoration in the wet milieu of the Venice Lagoon
12 05	206	Benjamin Hackenberger (Presenting), Ruderal, Tbilisi, Georgia	Institutions for Ecosystems: Examining Mechanisms for Dynamic Urban Planting
12 30	218	Aysu Gurman (Presenting), Izmir Institute of Technology, Turkey	Sustainable Coastal City of Izmir: Alternation and Reconstruction of Blue-Green Cities

14 00 - 16 00 Cross-Cutting Workshops

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Moderator: Geoffrey Grulois Author	Title
11 30	54	Maria Dias (Presenting), Faculdade de Ciências da Universidade do Porto, Portugal (ONLINE)	The impact of historical and evolutionary changes on landscape degradation and methods for regeneration
11 50	272	Martina Croso Mazzucco (Presenting), Universidade de São Paulo, São Paulo, Brazil	A Regenerative Approach to Rural Territorial Planning
12 10	283	Stefanie Schur (Presenting), Nürtingen-Geislingen University, Nürtingen, Germany	Assessing two existing models of conservation and ecological regeneration for application in the EU's new Nature Restoration Law
12 30	3	Richard Ross Shaker (Presenting), SUNY College of Environmental Science & Forestry, Syracuse, USA (ONLINE)	Toward a knowledge-based monitoring of forest bioeconomy: Building a stakeholder-driven suitability index for forest restoration

Session 2 Monday, 09.09. 14 00 - 15 45	ID	Moderator: Stefanie Schur Author	Title
14 00	114	Professors Marie Frier Hvejsel & Lotte Marianne Bjerregaard Jensen, Aarhus School of Architecture, Denmark	Spatial Ecologies - Towards a transdisciplinary framework for describing the transitional potential of local spatial niches in the regeneration of life across urban landscapes
14 20	271	Shima Tajarloo (Presenting), University of Victoria, Victoria, Canada	A Symbiosis with Land Legacies: Utilizing Historical Archival Data for Regenerative Urban Landscapes
14 40	217	Björn Bracke (Presenting), KU Leuven, Brussels, Belgium	Multispecies storytelling and narrative mapping for wildlife-inclusive cities. Meet the swifts, the hedgehogs and the newts of Brussels.
15 00	134	Ass. professor Elisa Lähde, Department of Architecture, Aalto University, Helsinki, Finland	Urban Evolution: Regenerative Approaches to Enhance Biodiversity in Finnish Housing Projects
15 20	234	Dr. Catarina Patoilo Teixeira (Presenting), Universidade do Porto (ONLINE)	Thriving in the Heat: Exploring the relationship between urban ecological novelty and climate change effects

Session 3 Monday, 09.09. 16 15 - 18 45	ID	Moderator: Beata Dreksler Author	Title
16 15	263	Thomas Bogaerts (Presenting), Sweco Belgium, Brussels, Belgium	Hydrological Transformations: Unveiling Ecosystem Regenerative Capacities in the Kleine Nete River Valley
16 35	7	Lok Yan (Olive) Wong (Presenting), Architecture and Design School of Oslo, OSLO, Norway	Mining Sand Claiming Land - Envisioning the regeneration of post-mining lakescapes into a resilient cultural landscape
16 50	166	Charlotte Timmers (Presenting), Department of Architecture, KU Leuven, Belgium	Regenerative Design for Industrial Landscapes: A research by design Case Study of Kortrijk-Noord's Circular Transformation
17 05	222	Jonas Vanneste (Presenting), BUUR part of Sweco, Gent, Belgium	Wonderwoud and the role of research by design to link societal challenges like health, ecology, water and more to the regenerative capacity of the landscape.
17 20	276	Milena Fiore (Presenting), Executive Director ReScape California, San Francisco, USA	Establishing and Certifying Regenerative Landscapes
17 35	175	Mafalda Xavier (Presenting), Universidade do Porto, Portugal (ONLINE)	Regenerating Urban Green Spaces. A typological framework for tailored, adaptive, and sustainable management.
17 50		Wrap up & cross-cutting discussion	

Session 4 Tuesday, 10.09. 11 00 - 13 00	ID	Moderator: Veli Ortacesme Author	Title
11 00	195	Laura Jeschke (Presenting), Universidad Rey Juan Carlos, Madrid, Spain	Building acceptance for spontaneous vegetation in urban green spaces through early learning
11 20	200	Judit Doma-Tarcsányi (Presenting), Hungarian University of Agriculture and Life Sciences, Budapest, Hungary	What is the future planting design look like? Regenerative planting methods through the example of a suburban park in Budapest
11 40	11	Dr. Sylvie Van Damme (Presenting), University of Antwerp, Belgium	Bridging the Gap: Innovative Financing for Regenerative Landscapes through Nature-Based Solutions
12 00	99	Dr Usue Ruiz Arana (Presenting), School of Architecture, Planning and Landscape, Newcastle University, United Kingdom	Listening spiders and travelling trees: Experimental approaches for exploring and representing the more-than-human
12 20	173	Ass. Professor Chiara Geroldi (Presenting), Politecnico di Milano, Milan, Italy (ONLINE)	Regenerating landscapes through afforestation. The role of landscape architecture: three cases in Italy
12 40		Joint reflection on research gaps, curriculum design needs and future book projects	

Workshop Sessions

Three additional workshop sessions in parallel to presentation sessions (or you decide to mix them up)

(facilitator: Juanjo Galan)	ID	Author	Title
Monday Session 3 (16:15-17:30)	171	Dr Usue Ruiz Arana (Presenting), School of Architecture, Planning and Landscape, Newcastle University, United Kingdom	Multispecies soundwalk
Monday Session 3 (17:30-18:45)	247	Ventsislav Kartselin (Presenting), TU Delft, Netherlands	Urban fallows: A synergetic approach towards regeneration of marginalised urban land
Tuesday Plenary afternoon (11:00-13:00)	259	Dr Nikolett Puskas (Presenting), Utrecht University, Utrecht, Netherlands	(Re)generative <-> (Re)connections

Track 6: Heritage & Identities: Activating Cultural Capital

Doctoral Colloquium, Saturday, 07.09. 09 00 - 16 00			
Welcome, briefing and warming-up			
Parallel Slot 1			
09 00			
XX XX	21	Anjuli Grantham (Presenting), Ulster University, Derry, United Kingdom	Regenerative Attributes of Ecomuseums: Towards an ecocentric model
10 00	27	Francesco Ipparini (Presenting), University of Bologna, Italy and ENSA Normandie, Rouen, France	The landscape of the Reconstruction in Normandy: an architectural residence and a regional label for the identity and the enhancement of an ordinary
10 30	42	Wei Lei (Presenting), KU Leuven, Leuven, Belgium	Alternative reading of the urbanised water towns in the Yangtze River Delta: positioning the indigenous polder-based landscape
11 00	130	Gabriele Sanna (Presenting), Università degli Studi di Cagliari, Italy	Continuities and evolutions of the Nuragic agrosystem. An ecological structure for interpreting Sardinian archaeological Landscapes
11 30	152	Dorcas Adebajo (Presenting), Beijing Forestry University, China (ONLINE)	Investigating the effect of Green space and open space design in post-industrial heritage sites: Promoting economic prosperity and cultural
12 00	74	Liyang Wang (Presenting), Sapienza Università di Roma, Italy	The contemporary updating of valuable landscapes: valorization and transformation
Parallel Slot 2			
10 00	79	Victoria McMillan (Presenting), Nottingham Trent University, United Kingdom	Land Connectedness: a holistic heritage framework for understanding and care of more-than-human everyday landscapes.
10 30	190	Mátye Alejandra Cuesta Tabares (Presenting), MATE, Budapest, Hungary	Sketching Perceptions: Unveiling Quito's Ravine through a Narrative Approach to Qualitative Insights
11 00	248	Ana Rute Cardoso (Presenting), Universidade do Porto, Porto, Portugal (ONLINE)	Unlocking social-ecological memory meaning and its role in the creation and maintenance of sustainable cultural landscapes
11 30	70	Benedetta Baldassarre (Presenting), University of Bologna, Bologna, Italy	Adaptive cultural tourism for regenerating rural landscapes: a methodology to support local communities in planning climate resilient tourism strategies
12 00	109	Agnieszka Gertner (Presenting), Warsaw University of Life Science, Warsaw, Poland	Regenerative Landscapes: Balancing Visual and Ecological Values in Spatial Planning - A Case Study of Złotonia's Suburban Landscape.
12 30	107	Vignir Freyr Helgason (Presenting), The Oslo School of Architecture and Design, Oslo, Norway	Engaging with Citizens' Heritage Knowledge in Urban Research and Planning: The Case of Lørenskog
14 00 - 16 00			Cross-Cutting Workshops

Extra Heritage Keynote: Saturday, September 7, 17 00 - 18 30			
17 00 - 18 30	185	Professor Luca Csepely-Knorr, University of Liverpool School of Architecture, UK, Dr Ulrike Krippner, BOKU Vienna, Austria and Dr Imke van Hellemond, Vrije Universiteit Amsterdam, The Netherlands	Regeneration through Collaboration. A Case Study of Collaborative Landscape History Research

Session 1 Monday, 09.09. 11 30 - 13 00	ID	Author	Title
